

KBS Builders Wins Two Maine Projects Totaling \$4.6 Million

October 2, 2024

OLD GREENWICH, Conn., Oct. 02, 2024 (GLOBE NEWSWIRE) -- Old Greenwich, CT – October 2, 2024 - Star Equity Holdings, Inc. (Nasdaq: STRR; STRRP) ("Star" or the "Company"), a diversified holding company, announced today that its wholly owned subsidiary, KBS Builders, Inc. ("KBS"), has signed two contracts totaling \$4.6 million to manufacture 40 modules for the construction of cottages and affordable housing units in Maine.

Contract details are as follows:

- **\$3.0 million** contract to manufacture 32 modules for the construction of 15 one- and two-story cottages in Northeast Harbor, Maine. Manufacturing of these modules commenced in September, with delivery to be completed by December; the cottages are expected to be ready for occupancy by Spring 2025.
- **\$1.6 million** contract to manufacture 8 modules for the construction of two multi-story buildings comprising 16 affordable housing units in Newcastle, Maine. Manufacturing of these modules is expected to commence in October, with delivery to be completed by December; the housing units are expected to be ready for occupancy by Spring 2025.

Rick Coleman, CEO of Star, noted, "The signing of these multi-million-dollar contracts exemplifies KBS' reputation as Maine's modular manufacturer of choice. The recent upturn in demand for new construction throughout New England and the Northeast has significantly increased their booked backlog. We are encouraged by the recent interest rate cuts, and we believe demand for new construction projects will increase gradually in the coming months. KBS' strong modular manufacturing, technical, and delivery capabilities have positioned them well to gain market share in key segments such as affordable, workforce, energy-efficient, and veteran housing, as well as college dormitories and other multifamily buildings."
