Digirad Corporation to Release 2014 Second Quarter and Six Month Financial Results on August 1, 2014

Conference Call and Webcast Set for 11:00 a.m. EDT

SUWANEE, Ga., July 14, 2014 (GLOBE NEWSWIRE) -- Digirad Corporation (Nasdaq:DRAD) will release financial results for its second quarter and six months ended June 30, 2014, before the market opens on Friday, August 1, 2014.

A conference call is scheduled for 11:00 a.m. EDT (8:00 a.m. PDT) on August 1 to discuss the results and management's outlook. The call may be accessed by dialing 877-407-9039 five minutes prior to the scheduled start time and referencing Digirad. A simultaneous webcast of the call may be accessed online from the Events & Presentations link on the Investors page at www.digirad.com; an archived replay of the webcast will be available within 15 minutes of the end of the conference call.

About Digirad Digirad delivers convenient, effective, and efficient diagnostic solutions on an as needed, when needed, and where needed basis. Digirad is one of the largest national providers of in-office nuclear cardiology and ultrasound imaging services, and also provides cardiac event monitoring services. These services are provided to physician practices, hospitals and imaging centers through its Diagnostic Services business. Digirad also sells medical diagnostic imaging systems, including solid-state gamma cameras, for nuclear cardiology and general nuclear medicine applications, as well as provides service on the products sold through its Diagnostic Imaging business. For more information, please visit www.digirad.com. Digirad(R) and Cardius(R) are registered trademarks of Digirad Corporation.
